

KARAN

Full Stack Developer

📞 9266514755 ✉ karankuma992005@gmail.com 📍 Jonapur, South Delhi - 110047

SUMMARY

I am a motivated and detail-oriented Computer Science student pursuing a BCA with hands-on experience in full stack web development. Proficient in modern web technologies including React, JavaScript, HTML/CSS, I have demonstrated my ability to quickly learn new technologies through practical internship experience and continuous self-improvement

EXPERIENCE

Web Development Intern

IntraX Technologies

📅 03/2026 - 03/2026 📍 Delhi

A technology firm specializing in web development and innovative solutions

- Collaborated with development team to build responsive web applications using HTML, CSS, and JavaScript
- Implemented frontend components using React.js framework, ensuring optimal user experience
- Utilized Git and GitHub for version control and collaborative development workflows
- Participated in code reviews and debugging sessions to maintain code quality standards
- Gained hands-on experience with full stack development lifecycle and agile methodologies
- Enhanced problem-solving skills through real-world project implementation

EDUCATION

Bachelor of Computer Applications

Don Bosco Institute of Technology, GGSIPU

📅 08/2024 - 05/2027 📍 Delhi
